DYE SUBLIMATION
EXPERTISE

DS80

DNP offers this highly praised printer supporting photo professionals across the planet.

A good investment, this photo printer comes with **competitive media pricing** and delivers print formats that are not so price sensitive.

The DS80 runs reliably for many years. The printer is equipped with **an exclusive dust-protection system** that allows for tough assignments.

As an ideal portrait and event printer, **the DS80 is compact and lightweight** so it becomes your companion for assignments outside your studio.

Due to its advanced heat control and print head, the DS80 produces **4x8 inch (10x20cm) to 8x12 inch (20x30cm) photos with smooth gradation.**
