

## KODAK Adaptive Picture Exchange 30

## Incredible versatility. Compact design. Simply an exceptional value.

The All-in-One compact photo shop from Kodak Alaris. The KODAK Adaptive Picture Exchange 30 (APEX 30) gives you great options to grow your business. Add a KODAK 8810 Photo Printer to deliver exciting premium products in both 8x10 in. and 8x12 in. sizes. Ideal for low-mid volume printing opportunities.

### **Works as a Lab Manager Drives lab efficiency**

See a complete picture of your lab's current state on one screen. Color is used to instantly alert your staff when their attention is required. As a Lab Manager your APEX 30 will monitor the status of your orders from

start to finish providing details about percent of completion as it progresses. The APEX 30 will immediately alert the operator whenever their attention is needed. Detailed instructions are posted to assist resolution. Orders are automatically kept separate eliminating order mix-ups.

## Benefits include:

- Incredibly easy to use workflow and user interface - train your staff in less than an hour
- Trusted KODAK quality prints that are stain resistant, waterproof and will last a lifetime\*
- More printing in less space
- Low capital investment
- Efficiency that's easy - one sku delivers two finishes (gloss and satin) (4x6 in., 5x5 in., 6x6 in., 8x8 in., 5x7 in., and 6x8 in.)
- Reduced complexity and operating costs
- Produce greener prints with less environmental impact - no processing

chemicals, consumes 70-90% less energy than comparable AgX minilabs\*\*

- Connect your remote KODAK Picture Kiosk locations to the central APEX system to fulfill overflow orders
