-  High Quality

DS80™

From studio shots to off-site events, the compact & lightweight DS80 can be transported from studio to event and back again!

Profitable

A good investment, this photo printer comes with competitive media pricing and delivers print formats that are not so price sensitive.

Reliable

The DS80 runs reliably for many years. The printer is equipped with an exclusive dust-protection system that allows for tough assignments.

Transportable

As an ideal portrait and event printer, the DS80 is compact and lightweight so it becomes your companion for assignments outside your studio.

High Quality

Due to its advanced heat control and print head, the DS80 produces 4"x8" to 8"x12" photos with smooth gradation.
